Dear Parents and Community Members

One week of Term 3 remains……………
With the warmer weather being experienced, students are finding it easier to get to school, and uniform standards appear to be improving.
I keep reminding myself, and others, that 95% of our students usually follow our Universal expectations of safe, respectful learners.
This means, that across both the Primary and Secondary Campuses, approximately 390 of our 417 students generally do the “right thing”.
You may have read the article on our four student heroes – ask about them – they have been very quiet about their feat – that is what makes a real hero!
The story really demonstrates the character of our children – from Prep to Year 12 we have so many great kids!
They are your kids – tell them how good they are – I didn’t say that they are perfect …… but – look after them – they deserve it.
I am really excited to go into classes on the Primary Campus and listen to the students read so enthusiastically; I am heartened by the desire of many students in Secondary classes to attain good results.
Our Seniors have not many weeks to go – encourage them to do that extra bit of homework!
Enjoy a sunny week-end.

Regards,
HENRY CONDON
Principal
